COOKIE POLICY

To make this site work properly, we sometimes place small data files called "cookies" on your device.

What are cookies?

A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

How do we use cookies?

Technical cookies
Host domain /1.-3. party
This website / 1. party
Cookie name / Expiry date
_icl_current_language / 24 hours
_cookie_privacy_accepted / 1 year
Purpose: we use these technical cookies to remember the user's navigation settings on the site, such as the language of navigation selected and the acceptance by the same to the use of analytical cookies. No sensitive information is saved.

Google Analytics
Host domain /1.-3. party
This website, youtube.com / 1. parte + 3. party
Cookie name / Expiry date
__utma / 2 years
__utmb / 30 minutes
__utmc / end of the session
__utmz / 6 years
__utmv / 2 years
_ga / 2 years
_gat / 10 minutes
Purpose: Google Analytics cookies are used to measure traffic on our website. No sensitive information is saved. For more information please read: Google Privacy policy, analytics policy, description of Google Analytics cookies by Google.

Youtube Video
Host domain /1.-3. party
youtube.com / 3. party
Cookie name / Expiry date
APISID, CheckConnectionTempCookie576, HSID, Login_INFO, PREF, SAPISID, SID, SSID, VISITOR_ INFO1_LIVE, YSC, Demographics, recently_watched _video_id_list, use_hitbox,

GED_PLAYLIST_ACTIVITY, mfl. / Expiry date varies between end of session or up to 2 years after.

Purpose: these cookies are set via embedded youtube-videos. They register anonymous statistical data on for example how many times the video is displayed and what settings are used for playback.

No sensitive data is collected unless you log in to your google account, in that case your choices are linked with your account, for example if you click "like" on a video. For more information, read the general [Google Privacy policy](#).

<u>Vimeo Video</u>

Host domain / 1.-3. party

player.vimeo.com, f.vimeocdn.com / 3. party

Cookie name / Expiry date

UID, UIDR, __gads, __utma, __utmb, __utmc, __utmt_player, __utmv, __utmz, aka_debug, clips, player, vuid. / Expiry date varies between end of session or up to 2 years after.

Purpose: these cookies are set via embedded vimeo-videos. They register anonymous statistical data on for example how many times the video is displayed and what settings are used for playback. No sensitive data is collected unless you log in to your Vimeo account, in that case your choices are linked with your account, for example if you click "like" on a video. For more information, please read: [Vimeo Privacy policy](#), [Vimeo Cookie Policy](#).

How to control cookies?

You can control and/or delete cookies as you wish – for details, see [aboutcookies.org](#). You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.
